The City of Los Angeles (City), Bureau of Sanitation (BOS) is the Lead Agency and has prepared a Draft Environmental Impact Report ("EIR") for the project Green Acres Farm Biosolids Land Application. The public comment period for the Draft DEIR will extend for a 45-day review period beginning April 24, 2014, and ending June 8, 2014. The City invites you to provide comments on the Draft EIR.

Please find attached Notice of Availability which includes information about the project and how to review the draft EIR and submit written comments.

Please contact me at the information below if you have any questions. Thanks
